SELF made men are replacing the machine made. Good thing.

POSSIBLY our present city council can be swayed by reason. At any rate, that's one thing accomplished toward an ideal city.

IT is rumored the water company is again becoming nasty. Mr. Citizen, do you remember that indignation meeting?

NEW social functions are being started in the valley. The 400 up at Wireton are going to give a bonbon party next week.

THE fashion editor of the Ladies Home Journal says: "Sleeves this season will be the full top puff with band finish." Are you next boys?

"SHOT wife in side" says a headline in the California Independent. He's a heartless wretch and should be punished for not giving his wife a square deal.

LAST Sunday a New York minister preached to his congregation with the text "What time is it and where are we?" He must have been out with the boys the night before.

"Is gambling a crime?" queries one of our religious exchanges. No, it's only a sort of a pass time, a little recreation, as it were, created for the toiler so he can rest himself and make a dollar on the side.

A Monessen man has a bull dog which he values at $500 and yet the pedigreed purp met an ordinary scrub, a $1.49 cur of the same specie as himself on the street and the cur turned and thrashed the life out of his royal nibs. Do large investments pay?

Pirating Foley's Honey and Tar

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. CONDITIONS ARE PROMPTLY MET. SAN FRANCISCO WILL BE NEW CITY.

Continued from Page One.

come less difficult from day to day

General Health is Good.

General health conditions are satisfactory. While the number of cases at the various hospitals has increased each day, sickness is mostly due to exposure and worry The most encouraging feature is the absence of anything like contagion or an epidemic of disease of any nature whatever. The somewhat unsatisfactory sanitary arrangements in the various camps, the lack of variety in diet and the exposed situation of so many people necessary develops ailments; and in some places there have been a few cases of measles and chickenpox, but probably not more than would develop under ordinary circumstances in a large city. The primary causes of disease are removed as fast as possible

General Greely has taken command of the federal troops at this post, superseding General Frederick Funston, who will act under Greely's orders.

General Greely has established headquarters at Fort Mason, just east of the Presidio reservation on San Francisco bay.

Mayor Schmitz has issued a proclamation announcing that all persons regularly employed in the work of clearing and renovating the city would be paid.

Water is still scarce in some parts of the city, but every effort is making to increase the supply. At the present time the water is turned on only at certain hours of the day and night, and is in ample supply for domestic needs in the regions where the water mains are intact. Inspection of the system in the inhabited portion of the city is going forward rapidly. At some points the pipes have been found twisted and displaced by the quake, and these will have to be replaced.

Through With the Militia.

The citizens general committee of which the mayor is presiding officer, has resolved to have withdrawn the entire force of state militia that has policed a large residence quarter for the last few days. A vote of thanks was tendered the governor and the state militia. From this time on the city will be patrolled jointly by the police and the federal troops. Until a city prison is reestablished all persons held on felonious charges will be taken to Fort Mason and turned over to the regular troops for safe keeping.

Washington, April 24.—Secretary Shaw has given directions that $15,000,000 of public money be distributed among the national banks of San Francisco and immediate vicinity, which will include Oakland, as soon as the banks furnish satisfactory security.

PLENTY OF FOOD FOR ALL

Trainloads of Edibles Arriving Daily at San Francisco.

San Francisco, April 24.—Food was never more plentiful in San Francisco than today and the only trouble is its proper distribution. The committee on feeding the hungry reports the most satisfactory progress in the huge task and has already established 52 food stations where all the hungry may secure rations.

Besides the government and the general food committee, which are doing heroic work, a large number of independent organizations are attacking the food problem. It is hoped that the distribution of supplies may be systematized under one head in the course of a few days so that there may be no conflict or duplication of effort

From all points news of approaching relief trains is coming in and already sufficient provisions have accumulated at the Oakland pier to supply the needs of the city for more than a week. Plain food of every description is plentiful and luxuries are beginning to arrive. A coffee famine was threatened last night but today fresh consignments of this stimulant were distributed from almost every food depot.

There is an abundance of meats for stewing, though all the finer cuts are used at the hospitals. Immense cattle trains are rolling northward from the prairies of the southwest and chickens and eggs are coming from nearby towns. The most pressing need is for vegetables.

The lines of applicants at the various food stations are blocks long and remain so until closing time. Every one received rations for a single person as many times a day as he asks. The spirit of the people is bouyant in the face of distress and neither disorder nor complaint is evident along the bread lines.

The committee has secured two main warehouses, and all provisions as they reach the piers are carted there. Depots for government supplies are at the Presidio, the Folsom street dock and Fort Mason.

WALLS BEING DYNAMITED

Tottering Ruins Razed to Prevent Their Falling on Pedestrians.

San Francisco, April 24.—The heavy rains have not weakened the walls left standing in the burned area, according to the building commissioner Menacing walls are dynamited as fast as possible and danger from falling walls is decreasing every hour. Gen. Funston has placed his dynamite corps at the disposal of the building committee and they are throwing down dangerous walls along Market street. When this thoroughfare is safe the dynamiters will devote attention to side streets, keeping up the work until they have covered all the streets in the business quarter.

They will not touch walls standing back in lots or any walls that have supports. These must be removed by the property owners. Neither will they dynamite bank buildings, as such explosions might play havoc with safes and vaults.

Legal business will be resumed in San Francisco today. All the superior judges will open their twelve departments in the Jewish synagogue. Criminal cases will have precedence. Probate matters will follow and civil cases, such as damage suits and divorces will be reserved for the last place on the calendar All trials that were progressing at the time of the catastrophe will be recommenced.

80 Churches Destroyed

San Francisco, April 24.—Churches in San Francisco were especially hard hit by the earthquake and fire. More than 80 churches, missions and convents were razed. Among those destroyed were some of the most notable in San Francisco

RELIEF MAN KILLED

Shot Down by Youthful Guardsmen While Making His Rounds in Auto.

DISPLAYED RED CROSS SIGNAL

It Was Disregarded and He Was Fired On—Victim Was Prominent Citizen of San Francisco and a Member of Governor Pardee's Staff.

San Francisco, April 24.—Maj. H. C. Tilden, one of the most prominent members of the general relief committee, was shot and almost instantly killed in his automobile while returning from Menlo park, by men supposed to be members of the Citizens' patrol A friend of Tilden's, who was in the automobile, was cut in the face by a bullet, and another ball pierced the seat and struck in the back of R. G. Seaman, lieutenant of the second company of the signal corps.

Tilden was a prominent commission merchant of this city, a member of Gov. Pardee's staff, and one of the foremost workers in the general relief work. He had taken his three children and a nurse from the Fourteen Mile house, where they had been since the earthquake, to Menlo park, where he has a summer cottage. His automobile had been used as an ambulance in conveying sick and wounded to the hospital and the Red Cross flag was displayed on his car. Besides this, he had the Red Cross insignia on his right arm.

According to Seaman, six men stood in the middle of the road at Twenty second and Guerrero streets, separating when the car got within 50 feet of them. When the car was within 10 feet of the guard, Seaman claims, the guard began shooting without warning or challenge, and kept up firing after the car had passed them.

"The machine had gone about 50 feet past the patrol," said Seaman, "when the car stopped suddenly. Tilden, who was operating the car, fell toward me, saying: 'Well, they got me—they killed me.' He then dropped back in the seat and rolled out of the car. I sprang up and fired five shots in quick succession at those who were still shooting behind us. Several policeman came running up and arrested three of the men who did the shooting The men were in khaki uniform."

The three men under arrest are E. S. Boynton, a telephone inspector; George W. Simmons and Malcolm Vance. They are all young men and members of the Citizens' patrol. Boynton declares that he did not see the Red Cross flag on Tilden's car The killing of Tilden has created the greatest indignation.

NOT UNDER MARTIAL LAW

But Green Guardsmen Act as Though They Are Supreme.

San Francisco, April 24.—San Francisco is not under martial law and has not been during the present disaster. There has been a general misunderstanding among the troops themselves The report that Mayor Schmitz is at the head of all patrolling and is merely assisted by the troops has been officially confirmed The officers of the army have stated that they are working subject to any restraining order from the mayor

During last night's patrolling many of the troops admitted to newspaper men who made the rounds among them that they did not know what their orders were or where they came from It appeared all were using their own judgment. The state militia all said that they were under orders of the state militia commanders, but whether they are working in pursuance of orders or not they failed to recognize city passes, thereby causing much confusion and inconvenience to those who were engaged in relief work The regular troops are working in accord with instructions from the mayor's office. Consequently they have been the salvation of the San Francisco patrol system

To Attack Mileage Book Deposit.

Harrisburg, Pa., April 24.—Attorney General Carson has given out a copy of a bill in equity which he will file in the Dauphin county court in a few days against the Pennsylvania Railroad company, the Delaware, Lackawanna & Western, the Lehigh Valley, the Cumberland Valley, the Buffalo & Susquehanna, and the Erie, asking in the name of the commonwealth for a perpetual injunction to restrain these roads from collecting a rebate of $10 on each $20 interchangeable mileage book sold.

Supreme Court Advances Case.

Washington, April 24.—The supreme court of the United States has advanced the hearing of the habeas corpus cases of Moyer, Haywood and Pettibone, charged with complicity in the murder of former Gov. Steunenberg of Idaho, naming the first Tuesday in October as the date for their presentation.

Consuel General Missing.

Oakland, Cal., April 24.—Gov. Pardee has received word that Ecuadorean Consul General Santos Elias Santos is missing. The report was sent in by the consul's secretary, who says Mr. Santos has not been seen by friends since the earthquake.

REACH THE SPOT.

To cure an aching back.
The pains of rheumatism,
The tired-out feelings,
You must reach the spot—get at the cause.
In most cases 'tis the kidneys.
Doan's Kidney Pills are for the kidneys.

Charles Bierbach, stone contractor, living at 2625 Chestnut St., Erie, Pa., says: "For two years I had kidney trouble, and there was such a severe pain through my loins and limbs that I could not stoop or straighten up without great pain, had difficulty in getting about and was unable to rest at night, arising in the morning tired and worn out. The kidney secretions were irregular and deposited a heavy sediment. Doctors treated me for rheumatism, but failed to help me. I lost all confidence in medicine, but Doan's Kidney Pills relieved me so quickly and so thoroughly that I gladly made a statement to that effect for publication. This was in 1898, and during the six years which have elapsed I have never known Doan's Kidney Pills to fail."

A FREE TRIAL of this great kidney medicine which cured Mr. Bierbach will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists; price, 50 cents per box.

One would think the Laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for Coughs and Colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Coughs, Colds, Croup, Whooping Cough, etc. Tastes good and is harmless —Sold by R. W. Beck.

The tar that is contained in Bee's Laxative Honey and Tar is harmless. It is not coal tar, but is obtained from the pine trees of our own native forests. Bee's Laxative Honey and Tar is the best remedy for colds because it acts on the bowels—thus expelling all colds from the system. Bee's is the original Laxative Honey and Tar, and is best for coughs, colds, croup, whooping cough, lung and bronchial effections. Sold by C. A. Light.

Don't frown—look pleasant. If you are suffering from indigestion or sour stomach, take Kodol Dyspepsia Cure. Hon. Jake Moore, of Atlanta, Ga., says: "I suffered more than 20 years with indigestion. A friend recommended Kodol. It relieved me in one day and I now enjoy better health than for many years." Kodol digests what you eat, relieves sour stomach, gas on stomach, belching, etc.—Sold by R. W. Beck.

A liquid cold cure for children that is pleasant, harmless and effective is Bee's Laxative Honey and Tar. Superior to all other cough syrups or cold remedies because it acts on the bowels. An ideal remedy for Coughs, Colds, Croup, Whooping Cough and all curable lung and bronchial effections in child or adult. Pleasant to take. Sold by C. A. Light.

If you are troubled with Piles and can't find a cure, try Witch Hazel Salve, but be sure you get that made by E. C. De Witt & Co., Chicago. It is the Original. If you have used Witch Hazel Salve without being relieved it is probable that you got hold of one of the many worthless counterfeits that are sold on the reputation of the genuine De Witt's Witch Hazel Salve. —Sold by R. W. Beck.

The gums and resins obtained from pine trees have long been recognized as highly beneficial in the treatment of backache, kidney and bladder troubles. Pine-ules is the name of a new medicine, the principle ingredients of which come from the pine forests of our own native land. Sold by C. A. Light.

Mothers everywhere praise One Minute Cough Cure for the sufferings it has relieved and the lives of their little ones it has saved. A certain cure for coughs, croup and whooping cough. Makes breathing easy, cuts out phlegm, and draws out the inflammation. It should be kept on hand for immediate use.—Sold by R. W. Beck.

It is not difficult to relieve blind bleeding, itching or protruding piles with ManZan, the great pile remedy. It is put up in collapsable tubes with nozzle, and may be introduced and applied at the seat of the trouble. Stops pain instantly. Sold by C. A. Light.

Indigestion is much of a habit. Don't get the habit. Take a little Kodol Dyspepsia Cure after eating and you will quit belching, puffing, palpitating and frowning. Kodol Digests what you eat and makes the stomach sweet—Sold by R. W. Beck.

SELF made men are replacing the machine made. Good thing.

POSSIBLY our present city council can be swayed by reason. At any rate, that's one thing accomplished toward an ideal city.

IT is rumored the water company is again becoming nasty. Mr. Citizen, do you remember that indignation meeting?

NEW social functions are being started in the valley. The 400 up at Wireton are going to give a bonbon party next week.

THE fashion editor of the Ladies Home Journal says: "Sleeves this season will be the full top puff with band finish." Are you next boys?

"SHOT wife in side" says a headline in the California Independent. He's a heartless wretch and should bepunished for not giving his wife a square deal.

LAST Sunday a New York minister preached to his congregation with the text"What time is it and where are we?" He must have been out with the boys the night before.

"Is gambling a crime?" queries one of our religious exchanges. No, it's only a sort of a pass time, a little recreation, as it were, created for the toiler so he can rest himself and make a dollar on the side.

A Monessen man has a bull dog which he values at $500 and yet the pedigreed purp met an ordinary scrub,a $1.49 cur of the same specie as himself on the street and the cur turned and thrashed the life out of his royal nibs. Do large investments pay?

Pirating Foley's Honey and Tar

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds.

Orino Laxative Fruit Syrup is the best for women and children. Its mild action and pleasant taste makes it preferable to purgatives, such as pills, tablets, etc. Get the booklet and a sample of Orino at The Avenue Drug Store.

come less difficult from day to day

General Health Is Good.

General health conditions are satisfactory. While the number of cases at the various hospitals has increased each day, sickness is mostly due to exposure and worry The most encouraging feature is the absence of anything like contagion or an epidemic of disease of any nature whatever. The somewhat unsatisfactory sanitary arrangements in the various camps, the lack of variety in diet and the exposed situation of so many people necessary develops ailments; and in some places there have been a few cases of measles and chickenpox, but probably not more than would develop under ordinary circumstances in a large city The primary causes of disease are removed as fast as possible

General Greely has taken command of the federal troops at this post, superseding General Frederick Funston, who will act under Greely's orders.

General Greely has established headquarters at Fort Mason, just east of the Presidio reservation on San Francisco bay.

Mayor Schmitz has issued a proclamation announcing that all persons regularly employed in the work of clearing and renovating the city would be paid.

Water is still scarce in some parts of the city, but every effort is making to increase the supply. At the present time the water is turned on only at certain hours of the day and night, and is in ample supply for domestic needs in the regions where the water mains are intact. Inspection of the system in the inhabited portion of the city is going forward rapidly. At some points the pipes have been found twisted and displaced by the quake, and these will have to be replaced.

Through With the Militia.

The citizens general committee of which the mayor is presiding officer, has resolved to have withdrawn the entire force of state militia that has policed a large residence quarter for the last few days. A vote of thanks was tendered the governor and the state militia From this time on the city will be patrolled jointly by the police and the federal troops. Until a city prison is reestablished all persons held on felonious charges will be taken to Fort Mason and turned over to the regular troops for safe keeping.

Washington, April 24.—Secretary Shaw has given directions that $15,000,000 of public money be distributed among the national banks of San Francisco and immediate vicinity, which will include Oakland, as soon as the banks furnish satisfactory security.

PLENTY OF FOOD FOR ALL

Trainloads of Edibles Arriving Daily at San Francisco.

San Francisco, April 24.—Food was never more plentiful in San Francisco than today and the only trouble is its proper distribution. The committee on feeding the hungry reports the most satisfactory progress in the huge task and has already established 52 food stations where all the hungry may secure rations.

Besides the government and the general food committee, which are doing heroic work, a large number of independent organizations are attacking the food problem. It is hoped that the distribution of supplies may be systematized under one head in the course of a few days so that there may be no conflict or duplication of effort.

From all points news of approaching relief trains is coming in and already sufficient provisions have accumulated at the Oakland pier to supply the needs of the city for more than a week Plain food of every description is plentiful and luxuries are beginning to arrive. A coffee famine was threatened last night but today fresh consignments of this stimulant were distributed from almost every food depot.

There is an abundance of meats for stewing, though all the finer cuts are used at the hospitals. Immense cattle trains are rolling northward from the prairies of the southwest and chickens and eggs are coming from nearby towns. The most pressing need is for vegetables

The lines of applicants at the various food stations are blocks long and remain so until closing time. Every one received rations for a single person as many times a day as he asks. The spirit of the people is bouyant in the face of distress and neither disorder nor complaint is evident along the bread lines.

The committee has secured two main warehouses, and all provisions as they reach the piers are carted there. Depots for government supplies are at the Presidio, the Folsom street dock and Fort Mason.

WALLS BEING DYNAMITED

Tottering Ruins Razed to Prevent Their Falling on Pedestrians.

San Francisco, April 24.—The heavy rains have not weakened the walls left standing in the burned area, according to the building commissioner Menacing walls are dynamited as fast as possible and danger from falling walls is decreasing every hour. Gen. Funston has placed his dynamite corps at the disposal of the building committee and they are throwing down dangerous walls along Market street. When this thoroughfare is safe the dynamiters will devote attention to side streets, keeping up the work until they have covered all the streets in the business quarter

They will not touch walls standing back in lots or any walls that have supports. These must be removed by the property owners. Neither will they dynamite bank buildings, as such explosions might play havoc with safes and vaults.

Legal business will be resumed in San Francisco today. All the superior judges will open their twelve departments in the Jewish synagogue. Criminal cases will have precedence. Probate matters will follow and civil cases, such as damage suits and divorces will be reserved for the last place on the calendar All trials that were progressing at the time of the catastrophe will be recommenced.

80 Churches Destroyed

San Francisco, April 24.—Churches in San Francisco were especially hard hit by the earthquake and fire. More than 80 churches, missions and convents were razed Among those destroyed were some of the most notable in San Francisco.

If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr Alvin H. Stimpson, of Willimantic, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute Kidney trouble Sold by The Avenue Drug Store.

RELIEF MAN KILLED

Shot Down by Youthful Guardsmen While Making His Rounds in Auto.

DISPLAYED RED CROSS SIGNAL

It Was Disregarded and He Was Fired On—Victim Was Prominent Citizen of San Francisco and a Member of Governor Pardee's Staff.

San Francisco, April 24.—Maj. H. C. Tilden, one of the most prominent members of the general relief committee, was shot and almost instantly killed in his automobile while returning from Menlo park, by men supposed to be members of the Citizens' patrol. A friend of Tilden's, who was in the automobile, was cut in the face by a bullet, and another ball pierced the seat and struck in the back of R. G. Seaman, lieutenant of the second company of the signal corps.

Tilden was a prominent commission merchant of this city, a member of Gov. Pardee's staff, and one of the foremost workers in the general relief work. He had taken his three children and a nurse from the Fourteen Mile house, where they had been since the earthquake, to Menlo park, where he has a summer cottage. His automobile had been used as an ambulance in conveying sick and wounded to the hospital and the Red Cross flag was displayed on his car. Besides this, he had the Red Cross insignia on his right arm.

According to Seaman, six men stood in the middle of the road at Twenty second and Guerrero streets, separating when the car got within 50 feet of them. When the car was within 10 feet of the guard, Seaman claims, the guard began shooting without warning or challenge, and kept up firing after the car had passed them.

"The machine had gone about 50 feet past the patrol," said Seaman, "when the car stopped suddenly. Tilden, who was operating the car, fell toward me, saying: 'Well, they got me—they killed me.' He then dropped back in the seat and rolled out of the car. I sprang up and fired five shots in quick succession at those who were still shooting behind us. Several policeman came running up and arrested three of the men who did the shooting. The men were in khaki uniform."

The three men under arrest are E. S. Boynton, a telephone inspector; George W. Simmons and Malcolm Vance. They are all young men and members of the Citizens' patrol. Boynton declares that he did not see the Red Cross flag on Tilden's car. The killing of Tilden has created the greatest indignation.

NOT UNDER MARTIAL LAW

But Green Guardsmen Act as Though They Are Supreme.

San Francisco, April 24.—San Francisco is not under martial law and has not been during the present disaster. There has been a general misunderstanding among the troops themselves. The report that Mayor Schmitz is at the head of all patrolling and is merely assisted by the troops has been officially confirmed. The officers of the army have stated that they are working subject to any restraining order from the mayor.

During last night's patrolling many of the troops admitted to newspaper men who made the rounds among them that they did not know what their orders were or where they came from. It appeared all were using their own judgment. The state militia all said that they were under orders of the state militia commanders, but whether they are working in pursuance of orders or not they failed to recognize city passes, thereby causing much confusion and inconvenience to those who were engaged in relief work. The regular troops are working in accord with instructions from the mayor's office. Consequently they have been the salvation of the San Francisco patrol system.

To Attack Mileage Book Deposit.

Harrisburg, Pa., April 24.—Attorney General Carson has given out a copy of a bill in equity which he will file in the Dauphin county court in a few days against the Pennsylvania Railroad company, the Delaware, Lackawanna & Western, the Lehigh Valley, the Cumberland Valley, the Buffalo & Susquehanna, and the Erie, asking in the name of the commonwealth for a perpetual injunction to restrain these roads from collecting a rebate of $10 on each $20 interchangeable mileage book sold.

Supreme Court Advances Case.

Washington, April 24.—The supreme court of the United States has advanced the hearing of the habeas corpus cases of Moyer, Haywood and Pettibone, charged with complicity in the murder of former Gov. Steunenberg of Idaho, naming the first Tuesday in October as the date for their presentation.

Consuel General Missing.

Oakland, Cal., April 24.—Gov. Pardee has received word that Ecuadorean Consul General Santos Elias Santos is missing. The report was sent in by the consul's secretary, who says Mr. Santos has not been seen by friends since the earthquake.

REACH THE SPOT.

To cure an aching back,
The pains of rheumatism,
The tired-out feelings,
You must reach the spot—get at the cause.

In most cases 'tis the kidneys.

Doan's Kidney Pills are for the kidneys.

Charles Bierbach, stone contractor, living at 2625 Chestnut St., Erie, Pa., says: "For two years I had kidney trouble, and there was such a severe pain through my loins and limbs that I could not stoop or straighten up without great pain, had difficulty in getting about and was unable to rest at night, arising in the morning tired and worn out. The kidney secretions were irregular and deposited a heavy sediment. Doctors treated me for rheumatism, but failed to help me. I lost all confidence in medicine, but Doan's Kidney Pills relieved me so quickly and so thoroughly that I gladly made a statement to that effect for publication. This was in 1898, and during the six years which have elapsed I have never known Doan's Kidney Pills to fail."

A FREE TRIAL of this great kidney medicine which cured Mr. Bierbach will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists; price, 50 cents per box.

One would think the Laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for Coughs and Colds would be to move the bowels and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Coughs, Colds, Croup, Whooping Cough, etc. Tastes good and is harmless.—Sold by R. W. Beck.

The tar that is contained in Bee's Laxative Honey and Tar is harmless. It is not coal tar, but is obtained from the pine trees of our own native forests. Bee's Laxative Honey and Tar is the best remedy for colds because it acts on the bowels—thus expelling all colds from the system. Bee's is the origanal Laxative Honey and Tar, and is best for coughs, colds, croup, whooping cough, lung and bronchial effections. Sold by C. A. Light.

Don't frown—look pleasant. If you are suffering from indigestion or sour stomach, take Kodol Dyspepsia Cure. Hon. Jake Moore, of Atlanta, Ga., says: "I suffered more than 20 years with indigestion. A friend recommended Kodol. It relieved me in one day and I now enjoy better health than for many years." Kodol digests what you eat, relieves sour stomach, gas on stomach, belching, etc.—Sold by R. W. Beck.

A liquid cold cure for children that is pleasant, harmless and effective is Bee's Laxative Honey and Tar. Superior to all other cough syrups or cold remedies because it acts on the bowels. An ideal remedy for Coughs, Colds, Croup, Whooping Cough and all curable lung and bronchial effections in child or adult. Pleasant to take. Sold by C. A. Light.

If you are troubled with Piles and can't find a cure, try Witch Hazel Salve, but be sure you get that made by E. C. De Witt & Co., Chicago. It is the Origanal. If you have used Witch Hazel Salve without being relieved it is probable that you got hold of one of the many worthless counterfeits that are sold on the reputation of the genuine De Witt's Witch Hazel Salve.—Sold by R. W. Beck.

The gums and resins obtained from pine trees have long been recognized as highly beneficial in the treatment of backache, kidney and bladder troubles. Pine-ules is the name of a new medicine, the principle ingredients of which come from the pine forests of our own native land. Sold by C. A. Light.

Mothers everywhere praise One Minute Cough Cure for the sufferings it has relieved and the lives of their little ones it has saved. A certian cure for coughs, croup and whooping cough. Makes breathing easy, cuts out phlegm, and draws out the inflammation. It should be kept on hand for immediate use.—Sold by R. W. Beck.

It is not difficult to relieve blind bleeding, itching or protruding piles with ManZan, the great pile remedy. It is put up in collapsable tubes with nozzle, and may be introduced and applied at the seat of the trouble. Stops pain instantly. Sold by C. A. Light.

Indigestion is much of a habit. Don't get the habit. Take a little Kodol Dyspepsia Cure after eating and you will quit belching, puffing, palpitating and frowning. Kodol Digests what you eat and makes the stomach sweet—Sold by R. W. Beck.

For bloating, belching, indigestion, etc., eat a Ring's Dyspepsia Tablet after meals. Sold by C. A. Light.

The best safeguard against headache, constipation and liver troubles is De Witt's Little Early Risers. Keep a vial of these famous little pills in the house and take a dose at bedtime when you feel that the stomach and bowels need cleansing. They don't gripe.—Sold by R. W. Beck.

Salve! Salve! Spread the Salve, but let it be Pine Salve, natures remedy for cuts, burns, sores, etc. Sold by C. A. Light.

Diphtheria, sore throat croup. Instant relief, permanent cure. Dr. Thomas' Electric Oil. At any drug tore.

RECEPTION AT NASH HOME.

In Honor of Those Who Took Part in Easter Cantata Given by Bethany Baptist Church.

A very pretty social affair took place at home of Mr. and Mrs. Geo. Nash on McKee avenue last evening where Prof. E. E. Drake, who had charge of the Easter Cantata, tendered those who took part together with the members of the Bethany Baptist Church, a reception to show the appreciation felt for their untiring efforts which were crowned with so much success.

Music was the main feature of the evenings entertainment and was followed by a delicate lunch. The parlors were tastefully decoroted, Carnations, Roses, Tulips and Sweet Peas in profusion presenting a very pleasing effect.

Those present were, Mr. and Mrs. J. F. Bolter, Mr and Mrs. Rev. H. Madtes, Mr. and Mrs E. E. Drake, Mr. and Mrs. J. Robins, Mr. and Mrs. James Nash, Mrs. Harris, Mrs. Perry, Mrs. J. N. Hammond, Misses Hammond, Margaret Travers, Miss Woods, Lulu Weddle, Mary Learnard Pearl Brewer, Augusta Miller, Miss Bertha Learnard, Miss H. H. Hill and Frank Drake.

AT THE THEATRE.

Such a suitable combination of play and actors is rarely brought about as is the case of Oliver Labadie in "In Louisiana" would have been hard to have found a piece uniting so many qualities of originality and powerful dramatic strength of a high order, together with those other features calculated to attract popular applause, as exemplified in Mr. Labadie's remarkable play.

The greatest tribute that can be paid to Mr. Labadie is that he gives the impression to the spectators of fulfilling every essential of the central character of the play—a play which runs the entire gaunt of human passions and emotions, from tragedy and tears to the higher veins of comedy and rippling laughter, and is supported by a company of more than passing excellence.

As the scenes are in Louisiana and Texas, ample opportunity has been given the scenic artist to indulge his fancy in picturesque effects. Mr. Labadie will appear in that production at the Monessen opera house tomorrow night.

Stomach dosing will not cure catarrh. Breathe Hyomei and its germ killing air will cure the disease. Druggist Miller sells on guarantee.

WEBSTER NOTES.

John McAllister, of Scenery Hill, was in town today on business.

Yesterday was one of the days that produce the "morning after" feeling.

Conard Stinogle and family were calling on friends in Mon City Sunday.

Miss Lizzie Bingley, who is attending the California state Normal, was in town over Sunday with friends.

If you haven't had your fortunes told and traded horses a couple of times, you can bet it's your fault.

Mr. and Mrs. Harry Eckelburg of Monessen, were visiting friends in town, the greater part of last Sabbath.

John Fitch, manager of the Roscoe bakery, was in town over Sunday, the guest of his brother W. N. Fitch, of this place.

The Eisenbarth & Henderson Floating theatre will this evening present to the Websterites that suggestive play called "Foust."

Webster surely has just cause to be proud of its present corps of public officials. No sooner does school close than the school board meets and proceeds to promptly prepare itself for the coming term by the addition of two new rooms and a place to hold elections to prevent one of the class rooms being used for this purpose. These evidences of enterprise on their part will be certainly appreciated by the citizens.

Ministers Donate.

San Francisco sufferers were voted $5 from the funds of the local Ministerial asso. at their meeting yesterday morning. The ministers resolved themselves into one committee, each pastor to receive contributions for the relief of the sufferers from earthquake and fire. These funds will be forwarded by the Association Treasurer to the National Red Cross Society. The pastors ask that all who will contribute shall do so at once Warning is also given against frauds who may pretend to collect for this purpose, but who pocket the collection. Give only through known reliable sources.

Eagles Contribute $100,000.

The national order of Eagles has decided to raise $100,000 for the benefit of the Frisco sufferers by assessing each member 25 cents. They exect to have this sum ready to forward in ten days.

Will Organize Valley League.

There will be a meeting tomorrow evening in the Elk's club room Charleroi, to complete the arrangements for the organization of the Monongahela Valley base ball league. The valley league promises to meet with even greater success this year than last as all towns represented last year with several additions will be represented. Monessen will likely have a league team this season as many of our sport loving people are anxious that the home team be represented. The meeting will be called to order at 7:30. All interested are requested to be present.

Will Move to Ambridge

Mr. George Russel has about completed preparations for the removal of his family to Ambridge, where they will make their future home. Monday is the day set for their departure.

As a result of last nights effort a meeting has been called for next Thursday evening when everyone interested is urged to be present and take a hand in the work.
